FOREIGN INSTALLATIONS BRANCH

1. The Foreign Installations Branch established by DDI action on 3 September 1963 as successor to the disestablished Industrial Register has now completed many of the planned initial steps in organization.

✓ 2. In its next phase, FIB will test various concepts for processing of information, files organization, and provision of customer services in an all-source context.

3. Until further notice FIB management will report directly to the Office of the AD/CR. Determination of the permanent organization and subordination of the Branch within OCR's Special Center operations is contingent on the results of the forthcoming tests.
